

Dear Parents and Carers,

As we reach the end of another fantastic academic year, I want to take a moment to look back, celebrate our brilliant pupils, and express my gratitude to our wonderful school community.

Our children have worked incredibly hard this year. I am absolutely delighted to share some of our outstanding academic achievements with you:

- Year 6 (KS2 SATs): An incredible 75% of our Year 6 cohort achieved the combined age-related expectations in Reading, Writing, and Maths putting our school well above the national average. We are immensely proud of every single one of you. Year 6, we will miss you dearly, and we wish you the very best of luck as you take this exciting next step into high school!
- Year 1 Phonics: Our Year 1 pupils achieved a fantastic 84% in achieving age related expectations in their Phonics Screening Check, another superb result that sits well above the national average.
- Reception Class: Our youngest learners have made a wonderful start to their school journey, with 74% achieving their Early Learning Goals.
- Finally, the progression and achievement of all the pupils has been incredible and I am so proud of you all!

These milestones are a testament to the dedication of our staff, the hard work of our pupils, and the invaluable support you provide at home. Thank you for partnering with us to make this year a success.

We look forward to welcoming everyone back for the start of the new school year on **Wednesday 2nd September at 8:40 am**.

I hope you all have a safe, happy, and wonderful summer break!

Kind regards,

Mr P Trohear

Headteacher
